## Copyleft-CED 2003

This digest features important articles on development and social transformation in order to reach those working in the field and not having knowledge of these documents. It is aimed at promoting further reading of the originals, and generating public debate and action on public issues. The articles are compiled and edited for easy reading and comprehension of the concepts, and not so much to reproduce the academic accuracy of the original texts.

These articles are shared for your personal study and reflection only. The copyright of the original texts lie with the authors/publishers as the case may be. The CED/Editorial portions may be reproduced freely, with acknowledgement, for similar purposes.
